## 2-DAY EVENT INFORMATION & SCHEDULE • 8:30 AM to 4:30 PM EACH DAY

★ Various Industrial/Fixed Locations, Tank Truck, Rail Car and other Critical Type Leaks, Spills, Fires & Large Vapor Cloud Releases will be addressed, including dealing with Entrapped & Exposed Victims. Command Incentives and Motivation!

★ This program is a "Street-Smart", Straight Talk, No-Nonsense & Motivational Classroom Presentation featuring many case histories not seen in every day type learning. The program is Provocative and Beneficial Offering Profound Command Decision-Making Processes and Conclusions. "Utilizing Special Protocols/Checklists For Timely & Effective Solutions."

★ This presentation is provided in a Large Screen Video Format allowing those in attendance the Near Actual Feeling of Incident Management & Control.

★ Among the Conference Presenters are Ron Gore and Murray Chappell, both serving in Command & Control positions on the Nation's first qualified Haz Mat Teams, Mr. Gore with Public Safety (Jacksonville, FL Fire/Rescue Dept. Haz Mat Team & operating two Commercial Haz Mat Contracting Companies throughout the Southeast) and Mr. Chappell with the US Coast Guard Environmental Compliance, Enforcement, Recovery and Atlantic Strike Team Rapid Response Units.

★ All Presenters are Proven and Tested Veteran Fire, Rescue and Haz Mat Responders and are Leak, Spill & Fire Control Specialists & Commanders. They bring many years of "Street-Smart" Experience in "Subject-Specific" Command, Management & Control Operations to the presentation.
